

# KARI Aboriginal Procurement

## Commercial Capability Statement

### Appliances and Technology Solutions

#### Procurement for a Purpose

Welcome to KARI Aboriginal Procurement – supplying appliances and technology solutions to the Commercial sector.

We are passionate about our work, innovative in how we do it and sincere in the relationships we foster with our customers.

**KARI Aboriginal Procurement (KAP)  
works with you and your business to understand your  
needs and provide tailored recommendations and solutions.**

KAP is able to provide nationwide service for our customers with your  
appliances and technology requirements.

Your procurement will mean more than just a competitive purchase, it will directly  
change the lives of Aboriginal people, families and communities.

Do you want to be a Champion of Change without spending  
any more than your current procurement spend?

**Ask the KAP Team How Today!**

## **KARI Aboriginal Procurement is pleased to offer comprehensive solutions, quality products and expertise to a wide spectrum of industries across Australia.**

### **Delivery across Australia, whenever and wherever you need it**

- Swift and easy delivery to anywhere in Australia, including regional.
- Support of over 100+ stores for collection and in-store pickup.
- Purchasing support available through your account manager.

### **Excellence in customer service and technical expertise**

- Informed, objective advice from your dedicated account manager.
- Unparalleled customer service, support and troubleshooting through a single point of contact.
- In-person, over the phone, or virtual advice from our team of specialists.
